

FORWARD MOTION SPORTS, Inc. **Swim Team Incentive Program**

Forward Motion's Team Incentive Program allows you to choose the perks that work for your team. Whether you want to use these incentives for your coaches, swimmers and volunteers or as thank you gifts or awards...it's up to you!

Based on the size of your team, you will earn incentive dollars, which your team can use to purchase items, which are sold through our store(s). You can pick from coach's shirts, parkas, hats, tattoos, swim bags, personalized swim caps, Forward Motion gift cards and more!

Incentive Dollars are earned according to team size as follows:*

- **0 - 50** swimmer teams receive **200** incentive dollars
- **51 - 100** swimmer teams receive **400** incentive dollars
- **101 - 200** swimmer teams receive **600** incentive dollars
- **201 - 300** swimmer teams receive **800** incentive dollars
- **300+** swimmers receive **1000** incentive dollars

Additional Incentives (In-store)

- In addition to the Team Incentives listed above, we offer all members of our Summer Recreational teams a 10% discount off of any regularly priced swim items over \$5 in our store(s). Mention your team name when you come to the Danville or Walnut Creek store during the swim season April 1 – August 31 to receive your team discount!

Incentive dollars are only awarded with the selection of a "new" team swimsuit. Incentive dollars are **not awarded for any additional year(s) that the same suit is used. Adding an additional suit (alternate selection to existing suit(s)) is not considered a "new" suit.*
